The IOM examined the quality of cancer care in the United States and concluded that the cancer care delivery system is in crisis due to a growing demand for cancer care, increasing complexity of treatment, a shrinking workforce, and rising costs. Changes across the board are urgently needed. All stakeholders – including cancer care teams, patients and their families, researchers, quality ...

SACAP's BAppSocSci degree is a comprehensive, three year, undergraduate qualification that develops a robust theoretical and methodological understanding of the discipline of psychology embedded within the social sciences.

Bachelor of Applied Social Science | Psychology Courses

Georgetown is a historic neighborhood and a commercial and entertainment district located in northwest Washington, D.C., situated along the Potomac River. Founded in 1751 in the Province of Maryland, the port of Georgetown predated the establishment of the federal district and the City of Washington by 40 years. Georgetown remained a separate municipality until 1871, when the United States ...

Download TWO more Jill Wiseman beading projects from her

The term "National Treasure" has been used in Japan to denote cultural properties since 1897, although the definition and the criteria have changed since the introduction of the term. The swords and sword mountings in the list adhere to the current definition, and have been designated national treasures according to the Law for the Protection of Cultural Properties that came into effect on June ...
