The Master of Business Administration (MBA or M.B.A.) degree originated in the United States in the early 20th century when the country industrialized and companies sought scientific approaches to management. The core courses in an MBA program cover various areas of business such as accounting, applied statistics, business communication, business ethics, business law, finance, managerial ...

Master of Business Administration - Wikipedia

An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...
