

### **canadian government and politics pdf**

The politics of Canada function within a framework of parliamentary democracy and a federal system of parliamentary government with strong democratic traditions. Canada is a constitutional monarchy, in which the monarch is head of state. In practice, the executive powers is directed by the Cabinet, a committee of ministers of the Crown responsible to the elected House of Commons of Canada and ...

Gender representation has been a significant issue in Canadian politics.. The first woman elected to the House of Commons of Canada was Agnes Macphail, in the 1921 election. Although female representation in politics has increased since then, and political parties have identified increasing the number of female candidates as an organizational and political goal, no major Canadian political ...
