Casio Privia PX-310. I played the Casio PX-310 for the first time a few weeks ago. I don't really care too much for Casio products, but this instrument blew me away! The sound quality was good especially for an instrument in this price range and I was even more impressed with the weighted action. To me, it's about the closest to a ...

Trs touch is enjoyable, it was a good feeling with the sound of the piano key, say anything, it niquel (not much envy my old yamaha P80, the transition from the latter to the PX- 310 does not at all at the touch Drout ...) The main functions are accessible from the front (using the command "function" for some paramtres).
