IPv6 Forum :: Driving IPv6 Deployment

ACT 115 Computerized Accounting I (3) Prerequisites: ACT 101 or ACT 110 or successful completion of high school accounting or departmental approval. Exposure to some of the most popular accounting software used in the marketplace by small and medium sized businesses.

Course Schedule & Descriptions - St. Charles Community College

Basic Networking Tutorial - a network is any collection of independent computers that communicate with one another over a shared network medium. A computer network is a collection of two or more connected computers. When these computers are joined in a network, people can share files and peripherals such as modems, printers, tape backup drives, or CD-ROM drives.
