

jazz a history of pdf

Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...

Jazz dance is the performance dance technique and style that emerged in America in the early twentieth century. Jazz dance began as an African American social dance that had roots in African slave dances. Over time, a clearly defined jazz genre emerged, changing from a street dance to a theatrical dance performed on stage due to the work by artists such as Jack Cole, Bob Fosse, Eugene Louis ...
