Sacks, importantly, took the position that migraine was always physiological in nature and he steadfastly rejected the "migraine personality" "an idea popular at the time that held that people with migraine were obsessive, Type-A characters.

### **Oliver Sacks, Neurologist, Author, Migraineur - Migraine.com**

Migraines left me, apparently forever, several years ago, and I'm convinced that this book was instrumental in that. The more I read, the more I understood, the easier it was for me to deal with the problem. Oliver Sacks is a healer, and this book was a healing experience for me. Highly recommended.

Among the most compelling and perplexing of these symptoms are the strange visual hallucinations and distortions of space, time, and body image which migraineurs sometimes ...

## **Migraine by Oliver Sacks, Oliver Sacks |, Paperback**

Oliver Sacks does a good job of including all of the different types of migraine conditions and aura symptoms through presentation of many case studies and some research. I would give this a higher rating, except that the book is very wordy with a large technical vocabulary... much more so than Sacks' Musicophilia.
