Communicating With and About People with Disabilities About 50 million Americans report having a disability. Most Americans will experience . a disability some time during the course of their lives. Disabilities can affect people in different ways, even when one person has the same type of disability as another person.

Communicating With and About People with Disabilities

about people with disabilities: â€¢ Do not focus on the disability unless it is crucial to a story. Avoid tear-jerking human interest stories. â€¢ Do not portray successful people with disabilities as superhuman or heroes. â€¢ Do not sensationalize a disability by saying afflicted with, crippled with, suffers from, victim of, and so on.
