Science Fiction and Speculative Fiction began as an authored volume by me, but I soon found myself seeking a collection of assorted voices on a range of genres dear to me as a reader and fan.

### **Science Fiction and Speculative Fiction Science Fiction and**

The importance of science fiction to entrepreneurship There are three types of science fiction (in my view): crap, serialized crap and hard- science science fiction .

### **The importance of science fiction to entrepreneurship**

Inspired by David Pringle's landmark 1985 work Science Fiction: The 100 Best Novels, this volume supplements the earlier selection with the present authors' choices for the best English-language science fiction novels during the past quarter century. Employing a critical slant, the book provides a discussion of the novels and the writers in the context of popular literature.
