Completed MAT 1214 Calculus I, or the equivalent with a grade of C- or better.; Meet grade point average requirements: Have a transfer grade point average of at least 2.50 and a grade point average of at least 2.50 in all mathematics, sciences, and engineering coursework, or

### **6. College of Engineering < The University of Texas at San**

Program Description The technician is part of the engineering team, involved in all aspects of mining from exploration, planning, development and operation, to mineral extraction and environmental control.

### **Mining Engineering Technician | Northern College**

The area of study known as the history of mathematics is primarily an investigation into the origin of discoveries in mathematics and, to a lesser extent, an investigation into the mathematical methods and notation of the past. Before the modern age and the worldwide spread of knowledge, written examples of new mathematical developments have come to light only in a few locales.
