Urban Survival Tips – Five Scenarios and How to Stay Alive Urban survival is more complicated than any other survival situation but staying alive is extremely possible. The key is to have a plan and to be prepared so, here are some scenarios and tips on how to survive them.

Urban Survival Tips - Five Scenarios and How to Stay Alive

This is a well illustrated book on survival skills. It was my first experience with the author John D. McCann. I intend to purchase the rest of his Stay Alive! series. It is well written, and a good step by step book. I would call it a must have for any person wanting to learn more about camping and survival.

Stay Alive!: Survival Skills You Need by John D. McCann

Coordination is an important survival aspect particularly after the earthquake. Know Your Place Knowing where to run and hide for cover during an earthquake may save your life and limbs.
