### **The Famous Five (novel series) - Wikipedia**

The most prevalent personality framework is the "Big Five," or the five-factor model of personality. Not only does this theory of personality apply in multiple countries and cultures around the world (Schmitt et al., 2007), there is a valid and reliable assessment scale for measuring the five factors.

### **Big Five Personality Traits & The 5-Factor Model Explained**

The inception of the Famous Five was born out of the mind of Enid Blyton, a British author and creator of a series of books about the Famous Five. For decades, the Famous Five have come alive in the hearts and minds of children everywhere beginning in 1942 when the first novel was written.
