Unlicensed assistive personnel (UAP) is a class of paraprofessionals who assist individuals with physical disabilities, mental impairments, and other health care needs with their activities of daily living (ADLs). UAPs also provide bedside careâ€“including basic nursing proceduresâ€“all under the supervision of a registered nurse, licensed practical nurse or other health care professional.

A theory is a contemplative and rational type of abstract or generalizing thinking, or the results of such thinking. [better source needed] Depending on the context, the results might, for example, include generalized explanations of how nature works. The word has its roots in ancient Greek, but in modern use it has taken on several related meanings. ...

ABSTRACT. This article provides an overview of Watson's theory of Human Caring, the notion of Caritas and human phenomena. Special emphasis is placed upon the theoretical structure of human caring theory referred to as 10 Carative Factors/Caritas Processes and subjective living processes and experiences. These core conceptual aspects of the theory and human living processes are grounded within ...
